CAC Flatwater 6th African Championships October 22th -24th 2009 in Abidjan

GENERAL INFORMATION

Pastly Ivory Coast has organized several important sport Events :

- African Football Championship
- Basket-Ball African Championship
- World Junior Handball Championship

For the first time Ivory Coast is in charge of a competition of this level in canoeing.

Nevertheless, Venue for those upcoming Canoe Champs, approved by CAC Executive Board in 2008 June, is already official venue for national canoe championships and cup in Ivory Coast.

Located downtown in Abidjan, well protected from wind, this water site is perfectly flat.

Awaiting for this Venue to become famous due to the numerous records that we hope will achieved during the Champs, we expect many of you to come in November at Abidjan, on edge of Ebrié Laguna.

Our Very Sportive Regards
